Important Notes: Our meat arrives fresh (unfrozen) with cryovaccing available for prolonged fridge or freezer storage.

1. Our Beef is GRASS FED & FINISHED, has NO added HORMONES & NO added PRESERVATIVES (except corned beef unless otherwise requested).
2. The final weight of your beef pack is influenced by the size of the cattle used and will vary accordingly. Weights will be calculated and invoices sent 2 weeks before delivery.
3. When cryovaced, meat is portioned so repacking prior to freezing is unnecessary.
4. Please note PORK is grain assisted & must be frozen as soon as possible after delivery as white meat it is not suitable for ageing in cryovaced bags.
